*Don't miss this
valuable course
in Avian Care!*

Beyond Birdie Basics

You will find this 12-hour course invaluable if you:

- Are considering getting a bird
- Are a new bird caregiver
- Are a veterinarian or vet tech with a special interest in avian medicine
- Are an aviculturist
- Are involved with parrot rescue/rehab
- Have been a bird caregiver for a long time
- 10 CE credits available for MAHTA & MVMA members

Topics include:

*Challenges of having a pet bird,
diet & nutrition, husbandry,
species differences, loss of a pet,
grooming, anatomy, medical care,
BEHAVIOR and more!*

Speakers:

*Julie Weiss Murad
President & Founder, The Gabriel Foundation*

*Patti Christie, CVT
Director of Adoptions, Education & Avian
Welfare, The Gabriel Foundation*

Limited space available!
